

REVOLUTRON

an interactive novel to onboard Web2 users to Web3

**THE LERENBERG POST,
NEWSROOM**

Message

Cincinnati 12m ago

You don't know me yet, but I'm about to expose an unprecedented political and financial scandal

REVOLUTRON

STORY OF A WHISTLEBLOWER

ENTER THE ADVENTURE

Problem we address

Web3 accessibility.

Our adventure game educates and onboards Web2 users to Web3.

Revolte guides users through the story, and introduces them to Web3 with mandatory tasks like wallet installation to continue the adventure.

With each subsequent chapter, we introduce new Web3 applications and protocols to showcase the endless possibilities of the technology.

Roadmap

REVOLUTRON - CHAPTER 1

Wallet installation

Feb 2023

Apr 2023

June 2023

REVOLUTRON - CHAPTER 3

Mainnet / Protocols discovery &
Sponsored stories

REVOLUTRON - CHAPTER 2

Testnet / Learning the basics
(transaction, swap, gas, signing...)

Revenues

Custom built adventures for protocols

Partnerships with protocols, affiliate links, commissions

Public Goods Funding / Grants

Donations from users
